THE HOME STORE.

We have just about gotten our stock in respectable shape again after the day-before-Easter rush. We can call it nothing else, for our customers kept us on the rush from early morn until late night, and "why not?" We are giving our people Spring Suits of the choicest fabrics, in the very newest patterns, in all the modish colors, also the ever-popular pure indigo-dyed Blue Serges, for

\$12, \$15 and \$20

That can't be matched in the State. If you doubt, look about other stores. Our Men's and Boys' Shoe business is simply marvelous, considering the short time since we opened our Shoe Department. The feature of our guarantee with each pair to give satisfactory wear was unheard of in Maysville until we introduced it. We are perfectly safe in our guarantee. We sell the "kind" that not only look "right," but will also wear "right." Be sure to call for tickets on our beautiful little miniature Horse. All that see him pronounce him a little darling.

Mr. M. H. Ingram, one of THE LEDGER'S good friends, who resides on the farm of Colonel John Chambers, near Washington, is assuredly the first to get the money out of his 1909 crop of tobacco. While preparing his tobacco ground a few days ago he found a large, old-fashioned copper cent of the mintage of 1851. He brought it to THE LEDGER office yesterday, and, receiving an offer of 50 to 1 for the old coin, it became the property of Mr. Milton Jerome Gibson, the newspaper advertising specialist of New York, who was in the office at the time. Mr. Gibson bought it as a pocket-piece.

BEAUTIFUL MATTINGS!

Direct from Japan and China. Our New York syndicate is one of the large importers of Japanese and China Mattings. We have in stock at this writing over 500 rolls from which to make your selection. Just think, we have already placed our order for next spring Mattings, as we have to do so a year in advance. There is a vast difference in Mattings. There are the "Rejected" kind and the "Passed" kind; there are the long straw and the short straw; there are the new stock and the old stock. Everybody sells a 25c Japanese Matting, but not the Merz Bros.' kind. If we had to buy our Mattings through a jobber our 25c kind would be 35c.

Come in, and we know we can interest you, and we believe we can teach you a little Matting history.

INTERESTING FACTS

Thos. J. Chenoweth Offers to Cure Catarrh. The Medicine Costs Nothing If He Fails.

When a medicine effects a cure in 98% of cases, and when I offer that medicine on my own personal guarantee that it will cost the user nothing if it does not cure catarrh, it is only reasonable that people should believe me, or at least put my claim to a practical test when I take all the risk. These are facts which I want the people of Maysville to substantiate. I want them to try Rexall Muc-Tone, a medicine prepared from a prescription of a physician whose specialty was Catarrh, and who has a record of thirty years of cures to his credit.

I sell more bottles and receive more good reports about Rexall Muc-Tone than I do of all other catarrh remedies sold in my store, and if more people only knew what a thoroughly dependable remedy Rexall Muc-Tone is, it would be the only catarrh medicine I would have any demand for.

Rexall Muc-Tone is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membrane tract, destroys and removes the parasites which injure and destroy the membranous tissues, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissue, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most noticeable gain in weight, strength, good color and feeling of buoyancy.

I urge you to try Muc-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell me, and I will quickly return your money without question or quibble. I have Rexall Muc-Tone in two sizes, 50c and \$1. Thos. J. Chenoweth, Drug-gist, corner Second and Sutton streets.

The many friends of Mr. William W. Gibson will be pleased to learn that he will be o. k. by Saturday or Monday. He recently, through mistake, took an overdose of laudanum and a physician had to be summoned to relieve him. It was just a mistake and there was no intention on Mr. Gibson's part to do himself harm.

The announcement of W. H. Mackoy as a candidate for High Sheriff, subject to the action of the Democratic party at the Primary election to be held May 14th, will be found in another column of today's LEDGER. Mr. Mackoy is a gentleman by birth, a farmer by occupation and a Jeffersonian Democrat in principle. He is widely and popularly known throughout the county for his general good qualities as a citizen and officer. He is now serving as Deputy under Sheriff Mackey and has proven a most efficient and fearless officer in the discharge of duty. He is honest and just in his dealings with his fellow-men, and plays no favorites in business transactions. That he will make an admirable Sheriff and serve the people honestly, faithfully and well, goes without saying.

CARD OF THANKS.

I desire to express through THE LEDGER my heartfelt thanks to the good friends and neighbors who extended kindly sympathy and attention to my late son, Randolph Frost, during his illness and death. Such acts soothe the afflicted mind and help bind up the cruel wounds in hearts rent with grief. To one and all, and to the Maysville Aerie of Eagles, heartfelt thanks are extended. HIS MOTHER

Banker Blackburn in the Field For Building Net Work of Traction Lines

A dispatch from Frankfort says: Articles of incorporation of the Cincinnati, Louisville, Lexington and Maysville Traction Company, with ten million dollars capital stock, were filed there yesterday with the State Railroad Commission and the Secretary of State by W. T. S. Blackburn of Dry Ridge, Grant county, President of the Company and one of its promoters.

Mr. Blackburn turned over a check for \$1,000 as the incorporation fee to the State and remarked that the work of building the new traction lines will be started this year and rushed to completion.

The articles provide for the construction of a complete electric traction system to be operated between Cincinnati and Lexington and Maysville and Louisville, crossing each other at Dry Ridge. The system will be about 250 miles in length and will traverse 19 counties.

Better. Healthier Women

are known to exist in this country by thousands because freed from pain and suffering by Lydia E. Pinkham's Vegetable Compound.

Could such a record be made without actual and superior merit? Read what this woman says, and realize that the results secured in her case could not have been made except by a very good medicine.

Detroit, Mich.—"For more than ten years I suffered with all the troubles women have. I had one doctor after another without receiving any benefit. They advised an operation, but I refused to have one. My body and feet were swollen, caused by my female trouble. I was very nervous, had no appetite, indigestion and heart trouble.

"About six months ago I heard of Lydia E. Pinkham's Vegetable Compound and decided to try it, and in six weeks I was well and strong.

"I have had the pleasure of seeing five friends made well by this medicine, and I want to say to all suffering women take Lydia E. Pinkham's Vegetable Compound. If any woman is in doubt she can write to me and I shall be most happy to give her all the information I can."—Mrs. Freida Rosenau, 554 Meldrum Ave., Detroit, Mich.

Science in surgery and electricity has advanced much in the past 30 years, but the treatment of disease by the old fashioned roots and herbs method has never been improved upon. The fact that this leader of them all—**Lydia E. Pinkham's Vegetable Compound**—is to-day the largest seller of any similar medicine in the world, is proof positive of its value and superiority, for with all our enterprise and advertising we could not keep fooling the people for 30 years. Merit and merit alone is what has made Lydia E. Pinkham's Vegetable Compound the standard medicine for treating diseases peculiar to women.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.

Miss Katherine Marsh of this city and Misses Cooper and Lloyd of the county will graduate this year with the Midway Orphan School.

At noon Monday fire destroyed the residence of E. W. Lea at Germantown, as well as his stock barn adjoining. The loss is \$2,000. Insurance on these buildings had expired the day before.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. REPORT OF JAIL PHYSICIAN.

The Honorable Fiscal Court of Mason County: The routine of the County Jail for the past year presents but little for Official Report. As you all know, the Jail Building is of the best; the allowances by your honorable body have been ample for all purposes; the officials have been conscientious and faithful in applying the resources at command. The result of it all has been that, while having an exceptionally full attendance, there has been no communicable disease. The average offender has enjoyed the comfort of good quarters, plenty to eat, and the unusual satisfaction of compelling the presence of a doctor when there was nothing the matter. Many have been grateful for having been sent to Mason County Jail. Respectfully submitted,

A. G. BROWNING,
Jail Physician Mason County.

Woman's Beauty

Some women retain their beauty to an advanced age. But women, who regularly endure pain, age rapidly, for suffering leaves its lasting marks on them.

Nearly all women suffer more or less with some form of female trouble. It should not be neglected. Avoid the pain—treat yourself at home by taking Cardui, as thousands of other women have done. Begin at once and give Cardui a fair trial.

TAKE CARDUI

It Will Help You

Mrs. Katie Burlison, Goreville, Ill., tried Cardui and writes: "I suffered with female troubles, and was so sick I could not stand on my feet. Finally I began to take Cardui, and soon began to mend. Now I am able to do all my housework and am in much better health than I was before." Try it.

AT ALL DRUG STORES

An Indigestion Remedy Free

Many people who are otherwise healthy suffer from indigestion, or dyspepsia. When you consider that the stomach and allied digestive organs are the most important organs of the body, it would seem that a disorder there is to be taken very seriously.

Dyspepsia cannot eat the things they like; food sours in the stomach; then chronic constipation begins, or, as is often the case, you have been constipated all along, and the stools are forced and irregular.

But there is no use letting indigestion go until it becomes chronic and undermines your health. It is good advice to suggest to you that you go to your druggist and get a bottle of Dr. Caldwell's Syrup Pepsin, the wonderful cure for stomach, liver and bowel troubles. That is what C. F. Fowler, of Carson City, Mich., did and he is well today. Others who did the same and are cured are Ida A. Fortune, of Grand Junction, Tenn.; B. F. Thompson, of Shemondah, Ia., who actually considers that it saved his life. You can obtain a 50-cent or \$1 bottle of the drugist, and, taken according to directions, it will probably be all you need. It is a liquid, acts gently, never gripes, and besides the laxative effect, contains exceptional tonic properties which tone the stomach, and that is what is especially needed in indigestion.

All sufferers from indigestion who have never used Dr. Caldwell's Syrup Pepsin can obtain a free test bottle by writing the doctor. It will be sent direct to your home without any charge. In this way thousands have proven to their own satisfaction Dr. Caldwell's Syrup Pepsin is the very remedy they needed to cure indigestion. When once you use this grand remedy you will throw violent cathartics, tablets, salts, etc., away.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

BLACK HAND

Right at Our Door—W. B. Cropper's Store at Burtonville Blown Up

Last night between 8 and 9 o'clock the good people of the sleepy little village of Burtonville were thrown into a panic by a terrific and resounding explosion that was heard by the entire neighborhood.

An investigation developed that W. B. Cropper's store had been blown almost to atoms by the force of a powerful bomb, the building and contents being an entire wreck.

It was the work of a vengeful person adopting the Black Hand method of seeking redress for fancied or real grievance.

The fact that the Postoffice was in the same building and was destroyed will compel the Government to take the matter up and run the culprit down. Fortunately no one was hurt, but the property loss is considerable.

It is hoped the guilty ones will be captured and severely punished as they richly deserve.

Later accounts say Mr. Cropper was in the Postoffice assorting mail, when somebody appeared and opened the front door. He asked, who was there? Not receiving an answer, he walked from the rear door to the front part of the building, but the party had disappeared. He saw something lying on the floor and his first impulse was to enter and kick it out; on second thought he concluded to walk away suspecting something dangerous, and had not gotten far from the door when the bomb exploded and wrecked the building as above stated.

A HELPING HAND.

Is Gladly Extended By a Maysville Citizen.

There are many enthusiastic citizens in Maysville prepared to tell their experience for the public good. Testimony from such a source is the best of evidence, and will prove a "helping hand" to scores of readers. Read the following statement:

Mrs. John E. Burns of Maysville, Ky., says: "I value Doan's Kidney Pills just as highly to day as when I gave a statement in their favor some years ago. I was subject to frequent attacks of kidney trouble and at times the pain in my back was so acute that I was confined to my bed for days. The quick and decided relief I obtained from Doan's Kidney Pills, procured at J. J. Wood & Son's Drugstore, was very gratifying, and during the year which have since elapsed, I have had no serious return of kidney trouble. On some occasions, I have felt a slight back ache, but a few doses of this valuable remedy have never failed to ward off any serious attack."

For sale by all dealers. Price 50 cents. Foster-McIlhenny Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
